Categories: [Blog](#), [Music](#)

We now are building a PDF anthem library for those that choose to use tablets in lieu of paper. To upload, just go to the [Choir Anthem Upload](#) page. Follow the instructions by uploading your PDF copy.

You must be logged in to upload and download files.

REMINDER: *PDF files are for Choir use only – please do not share as most of our anthems are copyright protected with licenses purchased for the choir.*

File naming: Composer - Title of Anthem
