

WITH LOVE, FROM MINNESOTA - KATHRYN RUPP RECITAL

Category: [Blog](#)

Join Kathryn on Feb. 27th 2026 at Plymouth Congregational Church, in the Guild Hall for a recital of Art Songs written by local composers. This February, I'm excited to share a recital made up entirely of songs by Minnesota composers accompanied by Ting-An Lai. Many of whom I've come to know through the Minnesota Source Song Festival and my musical home at Plymouth Church. Some of the music may sound familiar if you've attended recent performances or festivals; other pieces point toward what's coming next. Together, the program reflects a vibrant, growing local music community rather than one single style or moment. If you're curious about contemporary art song, want to support Minnesota composers, or are simply interested in hearing something new, I'd love for you to attend!
